David Kocs and Kristin Tucker,

Congratulations!!! TDK was recognized at the 2nd annual **Gateway to Innovation Conference** on April 29, 2009 at the Chase Park Plaza for its technology achievements. TDK Technologies received 2 awards: First, TDK was recognized as a Business Innovator in the < \$10 million IT Budget category and secondly TDK was recognized as a Gateway Innovator award for being published in a national magazine for your IT achievements in 2008.

On behalf of the 2009 Gateway to Innovation planning committee, we want to thank you for your contribution to the St. Louis Information Technology Industry. You helped put the St. Louis region on the national technology stage and we appreciate your efforts.

As we gear up for the 2010 Gateway to Innovation Conference, Tuesday, April 20, 2010 at the Chase Park Plaza, we look forward to your participation as an attendee, sponsor, or even as a speaker. You can help us build on the success of the past 2 years where we have attracted over 400 local IT leaders at each conference.

This gathering continues to be an excellent venue for strengthening your network of technology leaders.
